Our Ice cream

Price £7.50 p/h

Our selection of 4 flavors from our artisan producer. It's sure to go down a treat, be it at a corporate event or the happiest day of your life.

Each bike is a stunning replica of the original ice cream bikes that were

commonplace in 1950s Britain.

Traditional ice cream bikes have been making a comeback in the world of catering and accompanied by our ice cream that is sure to satisfy even the sweetest tooth. What better way to finish that traditionally served ice cream than with a generous helping of sprinkles, drizzles, and a classic flake.
